Care & Cleaning

Cleaning Code : S

+ All stains and spills should be addressed Immediately. The longer it remains, The more difficult it will be to remove.

+ A professional furniture cleaning service is recommended.

+ Always test on an inconspicuous area first.

Warranty

Please refer to our Terms of Sales for warranty information.

† Multiple factors affect fabric durability and appearance retention, including end-user application and proper maintenance. Wyzenbeek results above 100,000 double rubs have not been shown to be a reliable indicator of increased fabric lifespan.
