

RINO MASTROTTO
EVER-LAST

The name says it all! Ever-Last is made to last, thanks to our PURELY PROTECTED® program. Ever-Last features protection against fading, scratching, and sun damage. This specialized leather boasts a wax crackle effect accompanied by a subtle sheen that is perfect for high-traffic use. The uniform color and PURELY PROTECTED® technology make it an ideal option where color consistency and texture are necessary. Appreciate characteristics such as scars, belly wrinkles, scratch marks, and insect bites, which are signatures only genuine leather can exhibit.
