

HEIRLOOM

Heirloom is a fresh approach to a seemingly classic leather. A unique hand wiping process creates a beautiful bold contrast between the two-tone and vivid base color. This striking color effect makes Heirloom one of the most eye-catching leathers in the market. A combination of the latest tanning and finishing technology produces a supple hand not commonly found in hand wiped articles. Expect natural characteristics such as brands, healed scars and insect bites.

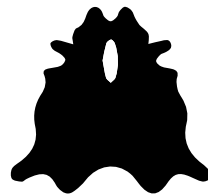

Details:

Finish Type: Semi-Aniline
 Content: South American Cowhide
 Country Finished: Brazil
 Size: 45 sq ft +/-
 Thickness: 0.9-1.1 mm
