

PRYCELESS

Crafted with meticulous attention to detail, Pryceless offers a soft hand and elegant matte-like finish. Available in a range of captivating colors, including traditional, transitional, and coastal options, Pryceless allows for a wide range of versatility. What separates Pryceless apart is its water-based topcoat, enabling a low luster and supple texture that effortlessly drapes over its surface. This durable leather reigns from South American raw materials with no brahma hole selection. Natural characteristics may include bug bite scars, fencing scratches, or neck and belly wrinkle variations. Pryceless is a resilient leather that is the perfect choice for high-traffic applications where both smooth style and durability are essential.
