

## RUN WYLD

Embrace the wild with Run Wyld, a **Purely Protected**® leather that offers the timeless appeal of a dusty cowboy boot. Hand-sanded by skilled craftsmen, it features a unique two-tone effect that adds to its rugged charm while ensuring durability against heavy use. Expect variation in hide coloration due to the hand-sanding technique. Run Wyld embodies the distressed look and soft feel, combined with stain protection and robustness typical of protected leather. Appreciate characteristics such as scars, belly wrinkles, scratch marks, and insect bites, which are signatures only genuine leather can exhibit.
