

WOVEN HUES

WOVEN HUES with  **FORBID**
 is manufactured to meet the following typical properties:

Width	54"
Roll Size	30 yds.
Nominal Weight	30 oz. per Lin. yard
Contents	100% Virgin Vinyl
Cold Crack	-10°F
UV Stabilized Pigments	300 hours minimum
Abrasion Resistance	Wyzenbeek (100,000 cycles #10 cotton duck)
Class Ratings	ASTM D 3690 - Class A
Thickness	1.05 mm
Mildew Resistant	Front and Back
Anti-Bacterial/Anti-Microbial (AATCC 147 / ASTM G-21)	Pass

Suggested Applications:

Conference Room, Executive Seating, Office, Residential, Hospitality, Lounge Seating, Healthcare, Restaurant Seating

Meets flammability requirements*:

- Motor Vehicle Safety Standard 302
- California Technical Bulletin 117-2013, Section 1

- UFAC Class 1
- BIFMA Class A

This product has been treated with anti-bacterial and anti-microbial agents that will provide resistance to the following:
 (AATCC Test Method 147)

- | | |
|-----------------------|-------------------------|
| Bacillus Mycoides | Staphylococcus Aureus |
| Klebsiella Pneumoniae | Salmonella Choleraesuis |
| Proteus Vugaris | Bacillus Cerus |
| Enterococcus Faecalis | Escherichia Coli |

*This term and any corresponding data refer to typical performance in the specific test indicated and should not be construed to imply the behavior of this or any other material under actual fire conditions.

FORBID dramatically increases the stain resistance, while preserving the integrity of the fabric luster and softness.

FORBID Cleaning instructions:

Method One: For most common stains and spills, use mild soap and water.

Method Two: If Method One doesn't work, use the following household items - FANTASTIK • 409 • MR. CLEAN.

Method Three: For tougher stains such as sharpie, paint and lipstick, use a 70% isopropyl alcohol wipe.

CLEANING METHOD	STAINING AGENT							
	DIRT	PEN MARKS	SHARPIE	PAINT	KETCHUP & MUSTARD	LIPSTICK	NAIL POLISH	BLUE JEAN
METHOD 1	X	X						X
METHOD 2	X	X			X	X		X
METHOD 3		X	X	X	X	X	X	X

The Enduratex™ care guide addresses the performance of FORBID products as indicated in product testing, conducted under laboratory conditions. Results may vary under actual conditions.

The information contained in the care guide is not a guarantee and does not relieve the user of the responsibility of proper and safe use of the product and the use of recommended cleaning agents. The use of certain agents has been found to be harmful to the surface appearance and lifespan of vinyl, please familiarize yourself with those substrates for best results.

Enduratex™ topcoat, FORBID, is resistant to most common stains; however, existing dyes and pigments in some staining agents have been seen to create a permanent stain if not properly treated in a timely manner.

Enduratex™ maintains the highest vinyl production standards. Anomalies may occur during finishing if the vinyl comes into contact with incompatible forms.
